

Introducing The

AIM Prevent

from Omnikare

Restorative
Support

Anti-Shear
Technology

Soothing
Comfort

The AIM Prevent mattress is a superior 7” foam mattress designed for maximum comfort and durability. Made with 3 layers of differing density foam and AIM manufacturing’s patented anti-shear technology, the AIM Prevent reduces pressure and frictional forces on the skin significantly reducing the risk of pressure injuries.

- Anti-microbial, stretchable, breathable, fluid resistant top cover
- Patented anti-shear technology designed to reduce frictional forces on the skin
- 2” specially formulated AIM foam provides superior comfort and has excellent thermodynamic qualities
- 2” medium density medical grade foam
- 3” firm density medical grade foam with no cuts or manipulations for increased durability
